

CURRICULUM VITAE

November 2021

Work:

Dept. of Gender Studies
Linköping University
581 83 Linköping, Sweden
+46-13 281000
ericka.johnson@liu.se

Ericka Johnson

Ph.D., docent
Professor, Gender & Society
Linköping University
Sweden
www.erickajohnson.se

Educational Degrees

2009 **Docent** (Science and Technology Studies), University of Gothenburg, Sweden
2004 **Ph.D.** (Technology and Social Change), Linköping University, Sweden
1999 **M.Phil.** (Development Studies), Oxford University, Oxford, UK
1995 **B.A.** Phi Beta Kappa (Comparative Religion, Russian), Vassar College, NY, USA

Appointments

2020 **Member**, Royal Swedish Academy of Sciences.
2019 **Professor**, Gender and Society, Linköping University
2018 **Professor**, Technology and Social Change, Linköping University
2017 **Associate Professor**, Technology and Social Change, Linköping University
2016 **Guest researcher**, Sociology, National University of Singapore (January)
2015-7 **Assistant Head of Department**, Technology and Social Change, Linköping University
2014-9 **Member**, Young Academy of Sweden
2011- **Senior lecturer**, Technology and Social Change, Linköping University
2010-11 **Pro Futura Scientia Fellow**, Swedish Collegium for Advance Study, Uppsala
2010-11 **Senior Lecturer**, Sociology, Göteborgs Universitet
2008- 10 **Post doc Researcher**, Science and Technology Studies, Göteborgs Universitet
2006-7 **Program Director**, Tema T ESST Master's program in Science, Technology and Society
2005-6 **Guest Fellow**, Institute for Advanced Studies on Science, Technology and Society, Austria
2004 -7 **Research Assistant**, Dept. of Technology and Social Change, Linköping University, Sweden
1999-04 **Doctoral Student**, Dept. of Technology and Social Change, Linköping University, Sweden

Selected funding history

M&MW Stiftelsen/WASP-HS, PI, *The ethics and social consequences of AI & caring robots*. 6 + 6 mil SEK, 2020-2025.
Vetenskapsrådets bidrag till framstående yngre forskare, PI 18 mil SEK 2013-19
VR, PI *Gender and Medical Simulators*, 2.4 mil SEK, 2013-2014
ERC Starting grant, PI, *Prescriptive Prescriptions. Pharmaceuticals and Healthy Subjectivities*, 1.1 mil EUROS 2011-2016
Pro Futura Scientia Scholar, 2009, 5 years (renounced to accept ERC Starting project).
Post-Doctoral grant Göteborg University's 2 year Post-Doctoral grant,.
VR, PI '*Culture, biomedicalisation and changing masculinities: Viagra™ as symbol and technology*' 2.1 mil SEK 2007-2009.

Selected teaching experience

PHD STUDENTS: Öncel Naldimirci, 2013; Lisa Lindén, 2016; Elin Björk, 2019. Assistant supervisor: Ivanche Demitriova; 2019; Doris Lydahl, 2017; Caroline Wamala, 2010; Tara Mehrabi, 2017; Linn Sandberg, 2011. Currently supervising Tove Odland; Isabel Garcia. Currently co-supervising Dominika Lisy, Maria Arnelid, Sofia Thunberg.

Supervisor and examiner on numerous MA thesis in Technology & Social Change; and Genus

Recent lectures and courses

- 2019, 20, 21 *Genus and diversity in application development*, 4 pts for 2nd yr engineers (teaching, running)
- 2021 “What is the Prostate?” lecture to the 301-Literature and the Medical Humanities course at Montclair University, New Jersey, USA
- 2020, 21 *The body: more than flesh and blood*, 7.5 pts elective undergraduate (teaching, running)
- 2020 Numerous Single lectures on Norm Critical Design, Public toilet infrastructures, and Women’s Health Activism at MA and BA levels
- 2020 *Feminist Technoscience and the Body*. PhD course 10 pts. Designed, coordinated and taught.
- 2019, 20 *Dissertation as Genre and Process*, PhD course 4 pts. Designed, coordinated and taught.

Recent invited talks

- 2021 A Constant Torment? The prostate. Medical Humanities lecture series, Lund University 2 Nov
- 2021 A Cultural Biography of the Prostate, Indiana University Medical Library 27 Oct.
- 2021 Panellist for GenR 2021 – Gender and Robotics workshop at RO-MAN 2021, 12 August
- 2021 Invited Speaker (A Cultural Biography of the Prostate) at the Ed Sceptics series in the Edinburgh Science Festival, 30 June
- 2021 Panellist for ‘The Conference Method’ workshop hosted Royal Swedish Academy of Sciences, June 17.
- 2021 Lunch conversation at UCSF with Alan Shindel 6 Oct
- 2021 A Constant Torment. Univ Geneve, Institut Ethique Histoire Humanités (IEH2) – UNIGE 17 May <https://mediaserver.unige.ch/play/151339>
- 2021 A Constant Torment. A Cultural Biography of the Prostate. Medical History in Edinburgh, 22 April
- 2021 Keynote: Medical Simulators. The Phenomena of Medical Knowledge Embodied. SimPro2021, 7 April
- 2021 A Cultural Biography of the Prostate. Royal College of Physicians, Edinburgh 24 March <http://rcpe.ac.uk/heritage/talks/cultural-biography-prostate>
- 2021 A Constant Torment. Interdisciplinary work on the prostate, Medical Humanities at Boston Centre for Health Humanities, MCPHS University, 18 March
- 2021 A Constant Torment. Interdisciplinary work on the prostate, Uppsala Medical Humanities Centre, 17 March
- 2021 ‘Gender and Medical Technology’ at the Linköping e-Health conference, 16 March 2021
- 2021 A Constant Torment. Interdisciplinary work on the prostate, Reading University – Health Humanities Centre seminar series, 10 March
- 2021 A Cultural Biography of the Prostate. IEH2 – Institute for Ethics, History and the Humanities and Masculinities working group, Univeristé de Genève, 9 March
- 2021 A Constant Torment. Medical History Working Group, Harvard Univeristy. 5 March
- 2021 A Constant Torment. Interdisciplinary work on the prostate. Glasgow Medical Humanities, 3 March
- 2021 A Constant Torment. Umeå Medical Humanities seminar, 18 Feb
- 2021 Refracting social norms through AI, AI Ethics Seminar, Chalmers 16 Feb
- 2020 Panel participant, Futures of Feminist and Queer Solidarities: Connectivity, Materiality, and Mobility in a Digitalized World. Gothenburg/Online 30 Sept-2 October
- 2020 Keynote and panel discussion: Robot bodies at the Bodies Hub at ‘Introducing TECHNACT. Feb 20th, Lindholmen, Göteborg
- 2020 Keynote: Sex and Gender in Treatment Guidelines, Diagnostic Practices, and Anatomical Knowledge. 1st annual Canadian Organization for Gender and Sex Research: COGS 8-9 January, Vancouver
- 2019 Equal opportunities in the academy – Women in Physics, Sweden. Linköping University, 3 October

- 2019 Equal opportunities in the academy – SeRC: Swedish E-Science Research Center, Söderköping, 25 May
- 2019 ‘The Prostate. A Constant Torment?’ Falun interdisciplinary studies group, 23 May
- 2019 ‘A Constant Torment’ at Center for Gender Studies, Uppsala University, 28 February
- 2019 ‘A Constant Torment’ at Gender Studies, Karlstad University, 23 January
- 2019 ‘Gender and Technology’ for the gymnasium in Motala, April
- 2018 Keynote at Medicinhistoria Idag, Uppsala 3 December
- 2018 Transitional states Art exhibition and public seminar, London May 17-18, 2018 (<http://transitionalstates.com/london-events/>)
- 2017 Keynote (with Kristin Zeiler) at the Northern Medical Humanities Network conference, Durham, UK, 14-15 Sept.

Other academic activities

Manuscript reviewer for *Body & Society*, *Men & Masculinities*, *Nordic Journal for Masculinity Studies - NORMA*, *Science, Technology and Human Values*, and *Feminist Theory*, *Alter – European Journal of Disability Research*, *Tidskrift för genusvetenskap*, *Ashgate publishing – sociology*, *ACTA Sociologica*, *Technoscienza*, *Gender & Society*, *Journal of Ethnic and Migration Studies*; *Sociology of Health & Illness*, *Sociologisk Forskning*, *Science, Technology & Society*; *Social Studies of Science*; *Routledge Advances in Feminist Studies and Intersectionality series*; *Temple University Press*, *BMJ Medical Humanities*

Grant application reviewer for: HUMAN+, Ireland (2021); Polish National Science Center (2017); Netherlands Org for Scientific Research (2015); UK Wellcome Trust (2016); National Science Foundation, USA (2008);

Member of the Board for: KK-Stiftelsen; Swedish Collegium for Advanced Studies. Supplementary member of the board for the LiU Philosophical Faculty Board. Member of the LiU Philosophical Faculty Graduate education board. Member of the Department of Thematic Studies Board, LiU. Member of the expert group, Robotics4EU
